

AIMSWEB					
Length	Who	When	Result Sharing	Reason for Testing	Results Usage
Each assessment is timed for 1 minute ( <= 5 min per child) no matter the grade level.	-All students in grade K-3 take part in AIMSWEB testing.	Fall Benchmarking - Sept 1-30 Kinder - letter name and letter sound 1st-3rd grade - ORF (2 passages)  Winter Benchmarking - Jan 1-Jan 31 Kinder - letter name and letter sound 1st-3rd grade - ORF (2 passages)  Spring Benchmarking - April 15th - May 15th Kinder - letter name and letter sound 1st-3rd grade - ORF (2 passages)	-Teachers have access to their class roster and can analyze data and pull reports.	-The data collected helps teachers compare their students to others at the same grade level across the nation and whether they are making growth.	-Report for administrators that summarizes the data pulled from aimswebPlus. -The fall report was a general overview of grade-level percentiles. The Winter and Spring report also includes a comparison of growth for each student. -Teachers use data in early October and will do so again once in January after assessments have been completed. Teachers compare these results with the curriculum assessments.

WIDA Screener					
Length	Who	When	Result Sharing	Reason for Testing	Results Usage
Each WIDA screener takes about 1 hour per student.	-All new students to Success Academy are given the WIDA screener to determine eligibility for English language learner support.	-Kindergarteners are tested within the month of September. -New students are tested within the first month of arriving at the school.	-Results are shared with teachers, school leaders and parents. -Parents receive an EL notification letter where they have the option to decline services if desired.	-Screener is used to guide school decision making related to EL services. -Tests Reading, Writing, Speaking, and Listening.	-Results are used to place the students in similar small groups -Used as a base where students can show progress after taking their ACCESS test
