Success Academy School
POLICY No. 5.1.1
ADMISSIONS POLICY WITH LOTTERY

I. PURPOSE

The purpose of this policy is to explain the application and enrollment process at Success Academy School so that families will have information to make decisions regarding their children's school attendance.

II. POLICY STATEMENT

This policy establishes guidelines for admission into Success Academy School that are consistent with the admission requirements of Minnesota Statutes §124E and other applicable laws.

III. LIMITATIONS ON ENROLLMENT Pursuant to the contract with its authorizer, Success Academy School has limited eligible pupils to:

1. Pupils within K-7th grade for 20/21 school year and K-8 as of 21/22 school year

2. IV. GENERAL ENROLLMENT PROVISIONS

- A. Success Academy School is a public school and pursuant to state law, must enroll an eligible student who submits a timely application, unless the number of applications exceeds the capacity of the program, class, grade level, or building. When that occurs, students will be accepted by lot and admitted as further described in section VI.
- B. Before admitting a student on the lottery list, Success Academy School shall give preference for enrollment to siblings of an enrolled student and to a foster child of that pupil's parents.
- C. Before accepting students by lot, Success Academy School will give preference to enrolling children of the school's staff before accepting other pupils by lot.
- D. Success Academy School shall not discriminate against any student based on race, color, ethnicity, sex, age, national origin, ancestry, religion or creed, status with regard to public assistance, sexual orientation, disability, intellectual ability, prior measures of achievement or aptitude, athletic ability, or for any other basis that would be unlawful for a public or charter school.
- E. Success Academy School shall not seek any information about any applicant that may

be used to discriminate against the applicant in either school's policies or governing laws. This does not preclude the school from seeking such information for a lawful purpose about a student after the student has been admitted.

- F. Notwithstanding any other provision of this policy to the contrary, in compliance with the requirements of the Minnesota Department of Education and with the 2011 settlement agreement in *ACLU v. TiZA, et al.* litigation, Success Academy School shall not select students based on religious preference.
- G. Success Academy School will not distribute any services or goods of value to students, parents or guardians as an inducement, term or condition of enrolling a student unless required to do so by Minnesota's Pupil Fee Law.

V. APPLICATION AND ENROLLMENT PROCEDURES

- A. Interested families will submit applications up until the lottery date or determined deadline. The board of directors may change the deadline for applications for the next school year by resolution without changing this policy.
- B. Success Academy School will accept applications for admission to Grades K-8, for which up to 22 students will be accepted per classroom for Kindergarten and 25 students per classroom in grades 1-8. The board of directors may increase one or more grades' capacity as long as school-wide capacity of 194 students is maintained, by resolution and without changing this policy prior to the date on which applications close.
- C. Formal recruitment of incoming students will begin before or during November of each year. The school will encourage families to meet with the faculty, staff and/or board members to discuss the value of Success Academy School, and its expectations of students and their families.
- D. Once the application period is closed, if there are more applicants than spots available, all timely applicants will be placed on one of two lists by grade: (a) a preference list of students given preference by state law or this policy, and (b) all other applicants. Both lists will be shuffled and offers of enrollment will be made to students in the order in which they are listed for each grade until classes are full, first exhausting the preference list, and then proceeding to the non-preference applicants.
 - 1. This lottery will be held no later than the first Monday after the student application deadline, sufficiently prior to the annual April 1 deadline for notifying the students' district of residence for transportation services.
 - 2. Notice of the lottery will be made public via website.

VI. LOTTERY

- A. A "sibling" is defined as a student applicant who is related to an enrolled student with the same father and/or mother either (1) genetically, or (2) through legal process, i.e., adoption, guardianship, or foster parent. Sibling preference does not apply until one of

the siblings is actually enrolled.

- B. Siblings of currently enrolled students will be given first priority. If there are more sibling applicants than spots for a particular grade, the sibling applicants will be shuffled by lot each year and then offers of enrollment will be made in the order drawn.
- C. Second priority will be given to children of school staff. If a staff member's employment is ended for any reason, the child moves to the end of the non-preferential waiting list.
- D. Once all sibling applicants and children of school staff have been placed, other applicants will be offered enrollment in their order on the non-preferential applicant waiting list determined by lottery.
- E. If any student, whether enrolled or on the waiting list, cancels their application or withdraws from Success Academy School, they shall lose their place. If they later re-apply, they shall be treated as a new applicant.
- F. All applicants still on a waiting list at the beginning of the next enrollment period must submit a new application for enrollment and will be subject to the enrollment process described above. The waiting lists do not carry over from year to year.

VII. STUDENT RECRUITMENT ACTIVITIES

- A. Success Academy School shall vigorously market itself before and during the enrollment period to recruit students to meet its enrollment goals as set by the board of directors.
- B. In accordance with its marketing strategy, Success Academy School may use the measures below, among others, to recruit student applicants.
 - 1. Post flyers and notices in local newspapers and/or blogs and online newspapers.
 - 2. Post the admissions policy and application (available for download) on the school's website.
- C. Success Academy School will provide translation services, as necessary, for all promotional materials and any person-to-person interaction.

VIII. KINDERGARTEN AND FIRST GRADE ADMISSIONS

- A. Success Academy School does not accept applications for kindergarten students who are not age five on or before September 1st of the calendar year in which the school year for which the student seeks admission commences.

Success Academy School does not accept applications for first grade students who are not age six on September 1 of the calendar year in which the school year for which the pupils seek admission commences or has completed kindergarten. There are however extenuating circumstances for some four year olds who would best be served by entering

school early.

The administration is authorized to develop procedures that will provide for the early admission of students who turn five (5) between September 1 and October 15, with consideration given to their cognitive abilities, motor development, social and emotional maturity.

Early Entrance Procedures

For early entrance consideration, a child must attain the age of five (5) years after September 1, but not later than October 15.

To assist the family, child and staff to make appropriate arrangements, Success Academy School requests:

1. Families interested in enrolling in Success Academy School should complete the student application either on-line or in person at the school office by the posted lottery deadline to show intent of pursuing early enrollment to Kindergarten.
2. The School Principal or his/her designee will meet with the family and describe the district process. An Early Entrance Packet will be made available at the time enrollment is offered. The school team will independently evaluate each child's readiness to meet kindergarten expectations.
 - Principals are encouraged to include a Kindergarten teacher and psychologist during the meeting.
 - The enrollment packet should be presented to the family in a format & language that suits their needs with the expectation that it is completed and returned by the family prior to August 1st.
 - Families will be notified prior to the start of school of the district's response to Early Entrance.
