He will be continuing in his teaching profession in the upcoming years. Tanner Goslin lives in Bloomington, Minnesota.

### **Deeqo Hashi**

My name is Deeqo Hashi. I am a mother, wife and a social worker. Ever since I was kid I knew that I want to help others, I always wanted to make a difference in my community. After I graduated from Hopkins High school I enrolled in Normandale community college where I explored my career options and I received my Associates of Art degree (A.A. degree). Post-graduating from Normadale community college I was accepted to the social work program at Saint Catherine University where I received Bachelor's degree of social work (BSW). I am currently working as child protection social worker where I protected children and support families at Hennepin County. The job as social worker challenged me in ways I never expected, touched my heart in profound ways, and allowed me to build deep connections with so many different people – both colleagues and clients – that I otherwise wouldn't have the honor of knowing.

When I am not helping families in the community, I enjoy reading and spending time with my three beautiful girls.
